WHEREAS, each of the parties hereto has under its police power the authority to regulate groundwater; and

WHEREAS, the parties are cognizant of the process commonly referred to as the Sacramento Area Water Forum (Water Forum) and of the Water Forum Agreement (WFA); and

WHEREAS, the WFA provided for the creation of a collaborative process composed of stakeholders in the Central Sacramento County Groundwater Basin (then known as the South Basin) to develop a groundwater management plan (GMP) for the basin and make recommendations on how and by whom the basin should be managed and the GMP implemented; and

WHEREAS, in accordance with the provisions of the WFA, the Sacramento Area Water Forum Successor Effort convened such a collaborative process, known as the Central Sacramento County Groundwater Forum (CSCGF); and
WHEREAS, the CSCGF has completed its work on the GMP and recommended the establishment of a joint powers authority to manage the basin and implement the plan; and

WHEREAS, the parties hereto find that it is to their mutual advantage and benefit, and in the public interest, to establish such an authority pursuant to this Agreement in order to implement the GMP developed by the CSCGF; and

WHEREAS, the parties hereto find and declare that the conservation of groundwater resources within the Central Basin for agricultural and municipal and industrial uses is in the public interest and for the common benefit of all water users within the County of Sacramento; and

WHEREAS, one of the primary purposes of the joint powers authority established pursuant to this Agreement is to maintain the sustainable yield of the Central Basin as set forth in the GMP; and

WHEREAS, it is the desire of the parties hereto to use the groundwater management powers which they have in common that are necessary and appropriate to further the purposes for which the joint powers authority is being established; and

WHEREAS, the parties hereto may amend this Agreement in the future to incorporate changes that may be the result of discussions with other public agencies both inside and outside the County of Sacramento which have a specific and relevant interest in the Central Basin.
